Symbol	Description of intended learning outcomes	Relation to learning outcomes for the educational area/areas
A graduate of the first-cycle studies has:		
KNOWLEDGE		
K_W01	a foundation knowledge of the status of European Studies in the sciences and humanities, and its connections with other disciplines as regards subject and methodology	H1A_W05, S1A_W01
K_W02	knowledge of the relations between the various sub-disciplines of European Studies (law, political science, economics, history, the social sciences, and cultural studies)	H1A_W04
K_W03	knowledge and appreciation of the basic terminology used in the academic pursuits comprised in European Studies	H1A_W03, H1A_W04
K_W04	a general scope of knowledge on the research methods and instruments used in European Studies and an appreciation of the need to use a variety of methods and techniques depending on the specifics of the processes examined	H1A_W07, S1A_W06
K_W05	a foundation knowledge of the principles of political science and law, and on the protection of intellectual property	S1A_W07, S1A_W10
K_W06	a foundation knowledge of international public law, EU law, and European Council law, including issues associated with the protection of human rights	S1A_W07
K_W07	knowledge of the basic issues in political ideas, and the main ideological and political doctrines	S1A_W08
K_W08	a coordinated, general scope of knowledge of the contemporary history of international relations, and of the contemporary political and social history of Europe	S1A_W08
K_W09	knowledge of the basic theories of European integration, and a well-ordered knowledge of the developments in the European integration processes, including sub-regional integration	S1A_W09
K_W10	a foundation knowledge of the terminology pertaining to democratic and non-democratic forms of government; knowledge of the development of political systems in Europe and their current forms	S1A_W09
K_W11	a foundation knowledge of the institutional structure of the EU, including the nature of its particular institutions; knowledge on the contribution these institutions make to the decision-making processes in the EU	S1A_W07
K_W12	a foundation knowledge of the scope and operations of the EU common policies and their influence on the role and status of the EU in the system of international relations	S1A_W07
K_W13	knowledge of the basic terminology of the economic sciences and principal market mechanisms at the macro- and microeconomic levels	S1A_W02
K_W14	a foundation knowledge of international economic relations and European economic integration	S1A_W02

K_W15	a foundation knowledge of the various types of social structures and institutions of social life, and of the relations between them	S1A_W03, S1A_W05
K_W16	knowledge of the principal traditional and contemporary trends in anthropology, sociology and philosophy; appreciation of the historical and cultural factors which have exerted an influence on them	H1A_W06
K_W17	a foundation knowledge of the European cultural heritage and contemporary cultural affairs, as well as of the activities of the principal institutions engaged in cultural affairs	H1A_W07, H1A_W10
K_W18	knowledge on the practical application of the information he/she has acquired and on the potential for development offered by European funds, both as regards personal development as well as the development of his/her own business activities	S1A_W11
K_W19	a well-ordered knowledge of the ethical standards and principles	S1A_W07
K_W20	a foundation knowledge of safety and hygiene at work in educational institutions	<i>No relevant learning outcome in the area of study</i>
SKILLS		
K_U01	ability to identify, select, and correctly apply information, making use of an appropriate choice of sources	H1A_U02
K_U02	ability to read, understand, and perform a critical analysis of texts relating to subjects associated with European Studies	H1A_U03, H1A_U05
K_U03	fundamental research skills, including the formulation and analysis of research problems, ability to hypothesise social, political, legal, cultural and economic processes and events, select appropriate research methods and tools, compile and present the research results for the resolution of problems pertaining to the academic disciplines in European Studies	H1A_U02
K_U04	a capacity for the independent pursuit and development of his/her research skills, following the guidelines of his/her tutors	H1A_U03
K_U05	ability to correctly apply the terminology pertaining to the academic disciplines in European Studies	H1A_U04
K_U06	ability to present an objective argument, making use of the opinions of various authors and showing due respect for different opinions expressed by other participants in the discussion	H1A_U06
K_U07	ability to apply the theories and schemas he/she has learned in the various fields of European Studies, to analyse developments and draw appropriate conclusions on the cause-and-effect relations between the observed phenomena	S1A_U03, S1A_U08
K_U08	ability to express and defend his/her own opinions on social matters and worldview whilst maintaining the principles of objective and honest academic research	H1A_U07
K_U09	ability to write simple essays on an academic subject using a suitable selection of source materials and workshop resources; ability to write a final diploma paper entailing appropriately formulated and verified research hypotheses whilst maintaining the principles of objective and honest academic research	H1A_U08, S1A_U09
K_U10	ability to prepare and deliver an oral presentation compiled on the basis of his/her own individual work or the collective effort of a team	H1A_U09, S1A_U10
K_U11	ability to reconstruct the history of European integration processes, as well as of the processes of regionalisation and globalisation in the world, and their influence on the nature of contemporary European societies	S1A_U03
K_U12	ability to work efficiently, individually and in a team, following the rules of fair competition	S1A_U07

K_U13	a working knowledge two foreign languages, including at least one at the B2 level on the Common European Framework of Reference for Languages	S1A_U11
K_U14	ability to analyse the social processes observed in the contemporary societies of European countries, taking into consideration the nature of European political culture	S1A_U03
SOCIAL COMPETENCES		
K_K01	awareness of the level of his/her knowledge and skills, and appreciation of the need for continual education and enhancement of his/her professional and personal skills; ability to plan his/her further development	H1A_K01, S1A_K01
K_K02	a capacity for efficient individual work and teamwork, performing a variety of duties in the group as well as the awareness of the need to take either individual or collective action	H1A_K02, S1A_K02
K_K03	ability to precisely define objectives in his/her work and determine the priorities in their achievement	H1A_K03, S1A_K03
K_K04	awareness of his/her responsibility for the preservation of the cultural heritage of his/her region, country, and Europe	H1A_K05
K_K05	commitment to the development of his/her interests by contributing to cultural affairs	H1A_K06
K_K06	ability to think and act in an enterprising manner, applying his/her knowledge on the European funds	S1A_K07
K_K07	readiness for employment in the professional milieu, willingness to abide by professional code of conduct, ability to solve problems in the professional milieu, respect for others	H1A_K04, S1A_K04
K_K08	awareness of her/his responsibility for the outcomes of his/her work individually and in a team	S1A_K05
